Body Temple's New Year's Eve Party

Brooklyn Lyceum. 8pm; \$45, advance tickets \$34. Advance tickets available at www.bodytemple.info. The Body Temple clan takes over this landmark performance space tonight for an evening of shamanic shenanigans, with Derek Beres and Fabian Alsultany (GlobeSonic) spinning global breaks and trancey beats, primal drumming, body painting—you get the idea. (Just in case you don't, the promoters want you to "shed the old and awaken the sleeping spirit of the new year")
